

REMARKS

In response to the election requirement, the Applicant elects the subject matter designated as species "(6)". The Applicant believes that Claims 1-7 and 10, 11, 13, 14, and 19-20 read on species "(4)" (FIGURE 7A). At least independent Claims 1, 7 and 10 are believed to be generic.

The Applicant reserves the right, upon allowance of a generic claim, to present dependent claims to additional species.

Respectfully submitted,

Date May 15, 2003
